

Product Fact Sheet

Tru-Volt Electronic Cleaner

Tru-Volt is a 2-in-1 Electronic Cleaner(solvent) with Dielectric Protectant that instantly removes oil, grease, dirt, flux and other contaminants while leaving a thin layer of dielectric protectant that helps prevent contact failure, voltage leakage and malfunction.

Tru-Volt will prolong the life of the connection and is harmless to plastics and paper tapes.

- Instantly removes oil, grease, dirt & flux
- Prevents voltage leakage
- Prevents corrosion, rust & acid build-up
- Prolongs life of connectors
- Cleans & coats with dielectric protectant
- Contains no chlorinated solvents
- Harmless to plastics & paper tapes

Package

12- 10 oz cans / cs

Part

9001
